To Our Patrons:

OUR CARVED MOULDINGS illustrated on the first twenty pages of this catalogue are of exceptional merit, and adapted to furniture and interior work. The designs are artistic and many of them classic.

They are clean cut, expressive, and mechanically perfect. The stock remains straight and does not spring as in embossing.

We have a great variety in design and continually work out new patterns.

The quality and practical usefulness of these mouldings are best conveyed by samples, and we send these free upon request, to manufacturers.

Our carving, both hand and spindle, is of superior quality, all detail being beautifully brought out.

We furnish special designs at a trifling cost. For this service please write us, giving size of space and for what period and purpose wanted.

In ordering mouldings or carvings always give number, size, kind of wood.
